The Clerk's Department is introducing e-pay to make paying water bills more convenient for Westmont residents. By using this service you will no longer receive a water bill via the U.S. Postal Service, only a bill via e-mail. You will be able to pay your water bill by credit card only at this time. Once you receive your bill via e-mail, you will have the ability to pay the bill 7 days a week 24 hours a day from any internet location. To sign up for this service the following form must be completed and the physical form must be turned in to the Clerk's Office.

The Village of Westmont is currently still in the testing stages of this service. If you have any problems with this service or have any questions relating to this service please free to call us at 630-829-4400 or email us at [billing@westmont.il.gov](mailto:billing@westmont.il.gov).

You will be responsible for paying your utility bill even if you fail to receive an e-mail notification. Spam blockers can potentially block certain e-mails. If you do not receive your bill VIA e-mail please call to receive a second bill.

I agree to have my water bill sent to me via e-mail, fully acknowledging that this will terminate the paper bill that comes via the US Postal Service. I acknowledge that I will be responsible for my utility bill even if the e-bill does not show up in my e-mail account.
